

R E M A R K S

The outstanding Examiner's Amendment of August 17, 2006, indicates a corrected drawing sheet of Fig. 1 is required in reply to the Office Action.

Fig. 1 switch (28) was not within, and therefore not included in, power supply stage (12).

The drawing has been amended to include Fig. 1 switch (28) within, and therefore included in, power supply stage (12) in response to the Examiner's comments and is now believed to be in condition for allowance.

IN THE DRAWINGS

Attached is an ANNOTATED MARKED-UP DRAWING of FIG. 1;

also ATTACHED IS A REPLACEMENT SHEET of FIG. 1

In the event that this response does not completely and fully address the matters and issues set forth in the outstanding Office Action, Examiner Kaplan is invited to contact Applicant's attorney by telephone in order to expeditiously conclude this prosecution.

Respectfully submitted,
